

# BodyGuard®

For a full day of working comfort and protection!

**NEW**

EMM knows how important safety is. As an expert in the refinishing market EMM is able to supply you with high quality safety equipment to protect your team efficiently and economically.

New in our assortment is the Colad BodyGuard® Premium Comfort Overall. The BodyGuard® offers you:

- ✓ High Performance
- ✓ Representative appearance
- ✓ Best Protection
- ✓ Durability

The Colad BodyGuard® overall provides optimum protection against overspray and prevents pollution of the paint job by fibers, dust and lint.

Especially designed to guarantee you a full day of working comfort. The overall seals tightly, is made of breathable material and comes with an anti-static coating.

Due to the Grey color and non-see-through material, The BodyGuard® is a representative overall that can be used up to 3 months!
